

CIPO-KIPO PPH REQUEST FORM

Request for accelerated examination at the Canadian Intellectual Property Office (CIPO) under the Patent Prosecution Highway (PPH) agreement between CIPO and the Korean Intellectual Property Office (KIPO).

Important notice:

To ensure efficient processing of your application, please prominently mark every part of your submission with the term PPH.

CIPO application information

The CIPO application number: _____

Corresponding KIPO application information

The KIPO application/publication number(s): _____

Filing date(s): _____

Priority date(s): _____

Has a PPH request previously been submitted for this application? Yes No

Claims on file and claim correspondence table

Please choose one of the following options:

- The claims on file correspond to one or more of those claims indicated as allowable in the KIPO and a claim correspondence table is completed (below or attached).

- The applicant is amending the claims with this request to correspond with one or more of those claims indicated as allowable in the KIPO and a claim correspondence table is completed (below or attached).

Claim number in the CIPO application	Claim number in the corresponding KIPO application	Comments

Corresponding KIPO claims and required documents

- A professional translation of those claims indicated as allowable in the KIPO is attached; and either
- an accurate translation of the KIPO office actions is attached; or
- CIPO is requested to retrieve the KIPO office actions relating to patentability¹ (please identify the relevant documents to be retrieved in the table below or on an attached sheet):

Document name	Date

Relationship between the corresponding KIPO application and the CIPO application

Please indicate the appropriate relationship between the KIPO and the CIPO applications and circle the applicable example as illustrated in Annex A of the “Requirements and Procedures to File a Request to CIPO for the Patent Prosecution Highway (PPH)” document, where applicable:

The CIPO application is:

- a nationally filed application which validly claims priority under the Paris Convention from either a single Office of First Filing (OFF) national application or multiple OFF national applications, as per Example: A H J
- a nationally filed application which validly claims priority under the Paris Convention from a PCT application which has no priority claims, as per Example B.
- a PCT national phase application where the PCT application has validly claimed priority from an OFF national application or multiple OFF national applications, as per Example C.
- a PCT national phase application where the PCT application has no priority claims, as per Example D.
- a PCT national phase application where the PCT application has validly claimed priority from a PCT application which has no priority claims, as per Example: E F
- a divisional of an application referred to in any of (i) to (v), as per Example G.

Other amendments to the application (optional)

Please choose one of the following options:

- The applicant has reviewed the application, and the specification on file conforms with Canadian patent application requirements and practice.
- The applicant is amending the specification to conform with the Canadian patent application requirements and practice.

¹The office actions of the corresponding KIPO application(s) must be available on the Korean Patent Information Online Network (K-PION). Please note that inquiries regarding the K-PION system may be directed to the system administrator at (kpion@kipo.go.kr).
